

Feasibility Study and Bioresource Management Plan

Bandapani Site (Khangchendzonga Landscape, India)

(A participatory Approach: Case - Bandapani villages, Alipurduar district, West Bengal)
Khangchendzonga Landscape Conservation and Development Initiative-India

G.B. Pant National Institute of Himalayan Environment and Sustainable Development
(Formerly known as G.B. Pant Institute of Himalayan Environment and Development)
Sikkim Unit, Pangthang, Gangtok, Sikkim 737101, India

In collaboration with
Himalayan Nature Adventure Foundation (HNAF)
Siliguri, West Bengal

2016

Lead Coordinator: KLCDI, India

PP Dhyani, Director

GB Pant National Institute of Himalayan Environment & Sustainable Development (GBPNIHESD), Kosi-Katarmal, Almora, Uttarakhand, India

Nodal Scientist: KLCDI, India

HK Badola, Scientist F & Scientist in-charge

GB Pant National Institute of Himalayan Environment & Sustainable Development (GBPNIHESD), Sikkim Unit, Pangthang, Gangtok, India

Nodal Persons: KLCDI, India

CS Rao, IFS, CCF (Wildlife), Forest, Environment & Wildlife Management Department, Govt. of Sikkim

P T Bhutia, IFS, Add PCCF (Wildlife, North), Directorate of Forests, Govt. of West Bengal

Facilitation at ICIMOD, Kathmandu, Nepal

N Chettri, Programme Coordinator: KLCDI

Facilitation at GBPNIHESD, Kosi, Almora, India

RS Rawal, Scientist F

Funding Agency

International Centre for Integrated Mountain Development (ICIMOD), Nepal

Cooperation

Forest Environment & Wildlife Management Department (FEWMD), Government of Sikkim

Directorate of Forest (DoF), Government of West Bengal

Research Teams

GB Pant National Institute of Himalayan Environment & Sustainable Development, Sikkim Unit, Pangthang-Gangtok

HK Badola, KS Gaira, J Lepcha and Sheila Sinha

The Mountain Institute (TMI)-India, Gangtok, India

A Bose

Associated partner members in PRA exercise

N Chettri, K Phuntsho, K Aryal, Janita Gurung and Kamala Gurung: ICIMOD, Kathmandu, Nepal

Prepared by

HK Badola¹, KS Gaira¹, J Lepcha¹, Sheila Sinha¹, A Bose² and PP Dhyani³

Acknowledgement

We are grateful to the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India (GoI) for the support and guidance and for entrusting the task to the institute as lead agency for implementing the Khangchendzonga Landscape Conservation and Development Initiative (KLCDI) programme in India.

We thank Dr David J Molden, Director General, International Centre for Integrated Mountain Development (ICIMOD), Nepal for providing the financial support to execute KLCDI programme in India under an addendum to Letter of Agreement of preparatory phase. Our appreciation goes to Dr Eklabya Sharma (Director Programme Operations) at ICIMOD, Nepal, who has been very motivating and a guiding force behind the success of KLCDI programme in India. We thank Dr N Chettri (programme coordinator KLCDI at ICIMOD) for his very supportive role to implement the KLCDI programme in India. We appreciate the encouragement received from Shri BMS Rathore, Chief Policy Advisor, ICIMOD. We also, thank Mr K Phunstsho, Mr K Aryal, Ms J Gurung, and Dr K Gurung, (ICIMOD), for their inputs during the PRA studies/validation in pilot sites are suitably acknowledged.

We highly appreciate the support and cooperation of the Directorate of Forest (DoF), Government of West Bengal to KLCDI programme in India. Nodal person for KLCDI India from West Bengal part, Dr PT Bhutia (Add PCCF-Wildlife North, DoF, Government of West Bengal) is thanked for their consistent support, cooperation and for providing useful inputs to the on-going programme.

We specially thank to entire team of Himalayan Nature and Adventures Foundation – Siliguri, West Bengal for their cooperation and collaboration in KLCDI, India programme and particularly in jointly organizing the PRA and accomplishing the household survey in Bandapani site.

The facilitative role of Dr RS Rawal (a senior level scientist) at institute headquarters, Kosi Katarmal in various matters supporting the successful campaign of KLCDI (India) is highly acknowledged and thanked. Supportive role of Mr Prem Chettri (former Jr Project Fellow) at Sikkim unit during PRA exercises in the Bandapani site of KL-India is greatly valued. We fully admire the secretarial assistance and data entry work and the team spirit of Ms Milan Kumari Rai (project staff KLCDI India) throughout the KLCDI programme in India.

We are highly grateful to communities of the Bandapani pilot site and other stakeholders for their active participation in PRA studies, household survey and consultation workshops under KLCDI-India; their useful inputs are immensely acknowledged.

Many persons/organizations have contributed directly or indirectly in generating information for this manual preparation, and they deserve due appreciation from the programme team.

Contents

1. Background	01-03
2. Objectives	03
3. The Bandapani site	04-06
3.1 Significance of the Bandapani Site.....	04-06
3.1.1 Transboundary Nature.....	04
3.1.2 Socio-economic Plability.....	04-05
3.1.3 Eco-climate.....	05
3.1.4 Corridor Connectivity among Protected Areas.....	05
3.1.5 Unique Issues' Centric.....	05
3.1.6 Agrobiodiversity.....	05
3.1.7 Offering Transboundary Tourism.....	06
4. Study Approach	06-09
4.1 Participatory Rural Appraisal (PRA).....	06-08
4.2 Household Survey.....	08
4.3 Vegetation Assessment.....	09
5. Findings from the field	10-22
5.1 Experiencing the Historic setup of Bandapani Site.....	10
5.2 Livelihoods.....	11
5.3 Human capital.....	11-12
5.4 Natural capital.....	12
5.5 Physical capital.....	13
5.6 Social capital.....	13
5.7 Financial capital.....	13-14
5.8 Vulnerability context.....	14-15
5.9 Gender equity.....	15
5.10 Livelihood strategies.....	15-16
5.11 Livelihood outcomes.....	16
5.12 Transforming Structure and Process.....	16-17
5.13 Ecosystem and Biodiversity.....	17-22
5.13.1 Ecosystem and its services.....	17-18
5.13.2 Biodiversity of the area.....	19-20

5.13.3 Key issues, challenges and opportunities.....	20-21
5.13.4 Key activities and findings.....	22
6. Participatory based Bioresources Management Plan (BMP)	23-31
6.1 Process adopted.....	23
6.1.1 Pre PRA exercise.....	23
6.1.2 Steps taken during PRA exercise.....	24
6.2 Key Findings.....	24-27
6.2.1 Socio-economic and livelihood.....	25-26
6.2.2 Ecosystem and Bioresource Management.....	27
6.3 Sharing and validation of field findings.....	27
6.3.1 Vision Identification for BMP plan.....	27-28
6.3.2 Identification and validation of supporting and opposing forces.....	28
6.3.3 Bioresource Management Plan (BMP) preparation.....	28-31
7. Conclusion and recommendations	31-32
8. References	32
Annexure	33-35

List of figures

1. Location map of pilot site/village
2. An approach adopted during PNRMP preparation of Bandapani site
3. Land use and land cover map of Bandapani site, West Bengal
4. Venn diagram of Bandapani village
5. Resource map of Bandapani site

List of photographs

1. Team member (GBPNIHESD & ICIMOD) interacting with the locals during PRA in Bandapani pilot site
2. Locals and team members of ICIMOD, forest department (WB), HNAF and GBPNIHESD during PRA exercise
3. Cement factory Gomtu, Bhutan
4. Elephants in Bandapani site
5. Locals engaged in off farm work for livelihood in Bandapani pilot site
6. Firewood the main source of cooking fuel in Bandapani site

List of tables

1. Dominant communities of tree species in Bandapani site: *based on IVI (Important value Index)*
2. Participatory based Bioresource Management Plan (BMP) of Bandapani pilot site
